ADOPTER AGREES TO:

I accept this animal as a pet and companion and I will keep it as such. I will not allow the animal to be used for research purposes.

I will provide humane care and assume responsibility for the animal as its owner, giving the animal proper food, water, shelter, and exercise.

I will provide veterinary care in case of the animal's illness or injury.

It is not the intent of the Humane Society of Utah to adopt out an animal with any illness or unknown pre-existing condition. If the adopted animal shows any signs or symptoms of illness up to ten (10) days after adoption, I agree to return the animal to be seen by a Humane Society of Utah veterinarian. If the animal is taken to a private veterinarian, the Humane Society of Utah will not reimburse any expenses. Symptoms of potential diseases include: severe, bloody diarrhea; lethargy; vomiting; sluggish appetite; high fever; severe weight loss; persistent, nonproductive cough; runny nose, sneezing; and/or eye discharge.

If the animal is diagnosed by a veterinarian as having a serious congenital defect or infectious disease up to thirty (30) days after adoption, it shall be returned to the Humane Society of Utah if not treated by the adopter at their expense.

If I am not satisfied with the animal for any reason up to thirty (30) days after adoption, it may be returned to the Humane Society of Utah. I will not receive a refund of any fees paid.

I will hold harmless the Humane Society of Utah for any illness or condition of the animal, and for any damages which the animal may do to any person or property, including contagion to other animals.

I agree to abide by all state and local animal control laws and ordinances. I understand it is my responsibility to become familiar with these laws and to license the animal according to all regulations.

I must notify the Humane Society of Utah if I change my address or telephone number.

If at any time I am unable to care for this animal, I agree to responsibly rehome the animal and notify the Humane Society of Utah to update owner information. I further agree not to collect a rehoming fee in excess of the adoption fee I paid for the animal. See provided tips on rehoming an animal.

If any of these conditions are violated by me, or if I have made false statements in the preliminary Adoption Profile, I agree to surrender custody of the animal to the Humane Society of Utah. If the animal is unavailable for surrender due to loss or death, I agree to pay the Humane Society of Utah \$500.00 as liquidated damages. I agree to pay any court costs and attorney's fees incurred by the Humane Society of Utah in the enforcement of this contract.

By signing below, I acknowledge receipt of the animal described above. I acknowledge that I am 18 years or older and agree to be bound by and to comply with the preceding terms and conditions.
